

All about  
car care

## Everything that drives drives cleaner with LIQUI MOLY

Whatever the time of year: Car care is always in season. In winter, snow, ice and road salt all take their toll, while in spring, summer and autumn, dirt, pollen and bird and insect droppings cover the paintwork and windows. At the same time, great demands are constantly made on the vehicle interior.

To guarantee that you can calmly meet all these challenges, we have put all our expertise as a global lubricant specialist to work and developed a comprehensive care range for the visual and technical value retention of vehicles.

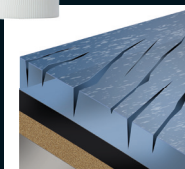

Whether for car, classic car, motorcycle, moped, motor scooter, ATV, camper, bus, van, truck or boat: Our care products are like wellness treat-

ments for your vehicle and ensure its appearance, performance and function for many years. Crucial factors with which you can experience more driving pleasure and sustainably save costs.

## Paintwork care

### Wax

**Protects and seals the paint. With carnauba wax.**

Liquid care emulsion for the best possible protection and for long-lasting sealing of paints. Provides an intense shine, protects the surface from aggressive environmental influences and boasts an impressive beading effect that repels rain and dirt.

Optimum result with Hand Polishing Sponge Soft (part no.: 21781) and Paintwork Microfiber Cloth (part no.: 21783).

500 ml, Part no.: 23032

### Shine Polish

**Removes slight signs of wear and tear as well as holograms.**

Cleans and polishes paintwork with slight signs of wear and tear and helps to restore their original depth of color and brilliant deep shine.

Optimum result with Hand Polishing Sponge Soft (part no.: 21781) and Paintwork Microfiber Cloth (part no.: 21783).

500 ml, Part no.: 23031

## Polish & Wax

**Removes slight and moderate signs of wear and tear and protects the paint.**

Freshens up paintwork. Cleans, polishes and preserves in one go. Effortlessly removes slight to moderate signs of wear and tear, leaves the original depth of color and an intense shine and provides long-lasting protection against harmful environmental influences thanks to the rain and dirt-repellent properties.

Optimum result with Hand Polishing Sponge Soft (part no.: 21781) and Paintwork Microfiber Cloth (part no.: 21783).

500 ml, Part no.: 23030

## Paint Restorer

**Removes moderate to severe scratches and flash rust.**

This polish powerfully cleans slightly to moderately weathered paint, smooths the surface and evens out moderate to severe scratches. Effortlessly removes flash rust and restores paintwork's original depth of color.

Optimum result with Hand Polishing Sponge Hard (part no.: 21782) and Paintwork Microfiber Cloth (part no.: 21783).

500 ml, Part no.: 23029

## Paintwork care

### Scratch Remover

**Removes deep scratches and cleans heavily weathered paintwork.**

For removing deep scratches, paint mist, and grind marks on paintwork as well as for cleaning heavily weathered paintwork. Suitable for polishing machines.

Optimum result with Hand Polishing Sponge Hard (part no.: 21782) and Paintwork Microfiber Cloth (part no.: 21783).

100 ml, Part no.: 23028

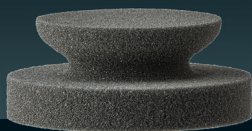

### Grinding Paste

**Removes deep scratches and orange peel.**

As effective problem solver, this paste effortlessly repairs heavily weathered paintwork, deep scratches, and orange peel and smooths the paint surface. Treated surfaces can then be painted directly. Silicone-free and suitable for polishing machines.

Optimum result with Hand Polishing Sponge Hard (part no.: 21782) and Paintwork Microfiber Cloth (part no.: 21783).

250 ml, Part no.: 23027

### **Hand polishing sponge soft**

**For manual processing of  
all polishes and sealants.**

Handy polishing sponge made of soft, fine-pored foam. Thanks to its properties, especially practical for manual application and processing of all polishes and sealants. Makes polishing by hand much easier.

**2 pieces, Part no.: 21781**

### **Hand polishing sponge hard**

**For manual processing of  
all grinding polishes.**

Handy polishing sponge made of firm, fine-pored foam. Thanks to its properties, enhances the polishing performance of grinding polishes and is especially practical for manual processing. Makes polishing by hand much easier.

**2 Pieces, Part no.: 21782**

## Paintwork care

### **Paintwork Microfiber Cloth**

For the buffing portion of polishing work.

Special microfiber cloth for buffing during polishing work on paint. This is due to its edges being cut by means of ultrasonic cutting, without a stitched edging, which effectively prevents any annoying micro-scratches. Silicone-free.

1 Piece, Part no.: 21783

### **Super Soft Microfiber Cloth**

For polishing out and removing polishing residues on paintwork.

High-quality, long-fiber, particularly fluffy microfiber cloth for wiping off care products and polishing residues and for drying after washing the vehicle. Borderless due to a special weaving process to avoid scratches on sensitive surfaces. Reliably absorbs wax and polish residues and ensures a brilliant deep sheen without streaks, smudges or cloudiness.

1 Piece, Part no.: 21892

## Quick paintwork care

## Specialist paintwork care/cleaner

### Waterless Detailer

### Insect Remover

**Provides radiant shine and an excellent water repellent effect.**

**Effortlessly removes insect residues.**

Highly effective gloss sealing spray with innovative protective formula. For quick, simple paintwork care without polishing. Removes light soiling such as dust or water spots and gives the paintwork a radiant deep sheen.

Easily eliminates stubborn insect remains on windows, headlights and all plastic, painted and chrome surfaces on cars, commercial vehicles and motorbikes. Quickly and gently softens up soiling, thereby enabling the easy removal of residues.

Optimum result with Super soft Micro-fiber Cloth (part no.: 21892).

Optimum result with Insect Removal Sponge (part no.: 1548).

500 ml, Part no.: 23026

500 ml, Part no.: 23008

## Specialist paintwork care/cleaner

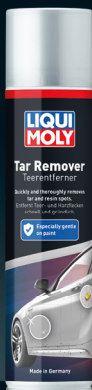

### Easy Clean

**Quickly and easily removes stubborn contaminants.**

Spray on, wipe off, clean! Belongs in every workshop and every household as a universally applicable power cleaner. Contains orange terpenes from 100 % renewable raw materials, among other things, and with its biodegradable solvents made from orange oil quickly and easily removes even stubborn dirt.

400 ml, Part no.: 23025

### Tar Remover

**Quickly and thoroughly removes tar and resin spots.**

Combination of solvents that is simultaneously highly effective and compatible with paints. Quickly and gently removes stubborn specks of tar, asphalt, resin and fresh paint on motor vehicles, camper vans, motorcycles, bicycles, tools and much more.

400 ml, Part no.: 23020

## Chrome Polish

**Restores brilliance to chrome. With long-term rust protection.**

Cleans, treats and removes blank spots and rust on all chrome parts on cars, commercial vehicles, motorbikes and bicycles. Protects the original gloss and achieves long-term preservation thanks to a protective film.

250 ml, Part no.: 23002

## Plastic Restorer Exterior

**Refreshes faded plastics.**

Freshens up plastics on the vehicle exterior. Maintains and improves faded plastic parts and ensures comprehensive plastic preparation in a single operation. Provides optimum protection against aggressive environmental influences and UV radiation. Contains silicone.

250 ml, Part no.: 23011

## Hand washing

### Wash & Wax

**Cleans and seals in one go.**

For quick 2-in-1 paintwork care for intermediate use. Gently cleans all paint surfaces, gives them a brilliant shine and reliably protects them against any and all environmental influences. It effortlessly removes dirt, does not leave any lime deposits, facilitates leathering and the finish enhances the vehicle's appearance by increasing the luster.

Optimum result with Car Washing Sponge (part no.: 1549).

1 l, Part no.: 23007

### Wash & Protect

**Cleans thoroughly and leaves with a shine.**

Thoroughly cleans, protects the paint and leaves it with an exceptional shine. With its wash-active agents, removes dust, dirt and all oily and greasy soiling without a trace and is highly biodegradable.

Optimum result with Car Washing Sponge (part no.: 1549).

1 l, Part no.: 23009

## Hand washing

### Car Washing Sponge

For thorough and gentle cleaning of glass, paintwork and plastic.

Particularly absorbent and gentle on paint. Long-lasting and wear resistant.

1 Pieces, Part no.: 1549

### Insect Removal Sponge

For removing insects from glass, paintwork and plastic.

Gently and thoroughly removes insects and dirt from glass, paint and plastic – and without scratching.

1 Pieces, Part no.: 1548

### Natural Car Cleaning Leather

Dries cars without streaks.

Train-oil tanned, soft and extremely absorbent car and window leather. Dries without streaks on glass, chrome and paint.

1 Piece, Part no.: 1596

## Convertible top

### Soft Top Cleaner

**Quickly and gently cleans convertible soft tops.**

Quickly and gently frees soft tops from all common contaminants such as oil and grease residues, soot, bird droppings, insect remains, road grime, etc. Does not attack plastics made of polycarbonate and rear windows made of PVC, even if used frequently.

500 ml, Part no.: 23015

### Fabric Care & Protect

**Seals and impregnates fabrics.**

Seals and impregnates fabrics and is thus ideal for universal moisture and stain protection. Reliably repels water and protects against oil and grease spots and soiling, e.g. due to pollen or bird droppings. Keeps the fabrics pliable and breathable.

400 ml, Part no.: 23016

## Engine compartment

### Engine Compartment Cleaner

Dissolves oil and greasy residues, tar and brake dust.

Leaves engine compartments shiny and clean. Dissolves oil and greasy residues, tar and brake dust. With high washing and cleaning efficiency. Free of chlorinated hydrocarbons (CFCs).

400 ml, Part no.: 3326

### Motor-Conserv

Glossy protection lacquer for the engine compartment. Makes the engine look new.

High-gloss, water-repellent protective paint for preservation of the engine compartment. The engine is like new. Prevents corrosion and is dirt-repellent. Protects the engine, ignition cables and assemblies against moisture. Compatible with rubber and plastic components.

400 ml, Part no.: 3327

## Glass/windshield

### Windshield Foam Cleaner

**Provides a streak-free view.**

Powerfully cleans all vehicle windows. Provides a streak-free view as well as better visibility and safety in traffic. Dissolves and removes silicone, nicotine, insects, and oily and greasy residues thanks to the highly effective foam. Suitable for polycarbonate and does not attack rubber, paints or plastics.

300 ml, Part no.: 23001

### Silicone & Wax Remover

**Removes silicone and wax residues.**

Removes silicone and wax from glass, painted and chrome components. Cleans car windows, removes wax drips after car washes with waxing and thus ensures good visibility. Creates the correct substrate before painting.

250 ml, Part no.: 23013

## Glass/windshield

### Fix-clear Rain Repellent

Quickly repels raindrops.

Urgently need a clearer view? Not a problem thanks to this rain repellent with lotus effect. It ensures a better view and more safety by repelling raindrops in the wind and making it easier to remove dirt, insects, ice and snow.

100 ml, Part no.: 23014

### Windshield Cleaner Compact

Tab for cleaning windshields.

Assures a clear view and safety. Removes oil and silicone coatings and insect contamination. Phosphate-free and biodegradable. Also descales the washing nozzles and hoses. Suitable for plastic lenses (polycarbonate). Can also be mixed with anti-freeze. Saves space. Reduces waste. Fragrance: Apple. Tested by Dekra and found to be "good".

Apple, 1 Pcs, Part.no.: 6925

## Summer products

### Windshield Super-Concentrated Cleaner

Dosage 1:100.

Creates clear, streak-free vision in seconds. Removes oil and silicone coatings and insect contamination. Does not react with plastics, rubber or paint and is thus also suitable for vehicles with headlamp washers and plastic lenses made of polycarbonate. Phosphate-free and biodegradable.

Citrus, 20 ml, Part no.: 22033

Citrus, 50 ml, Part no.: 1517

Citrus, 250 ml, Part no.: 1519

Cherry, 250 ml, Part no.: 21706

Ocean, 250 ml, Part no.: 21708

### Windshield Cleaner

Creates a clear view in seconds.

Ready-to-use, powerful cleaner for the windshield washer system. Creates clear, streak-free vision in seconds. Efficiently and gently removes oil, silicone coatings and insect contamination. Does not react with plastics, rubber or paint.

Citrus, 3 l, Part no.: 21705

Cherry, 3 l, Part no.: 21707

Ocean, 3 l, Part no.: 21709

## Winter products

### Windshield De-Icer

With citrus fragrance. Quickly and gently removes ice and white frost from vehicle windows.

Special combination of active agents with ice-dissolving, cleaning properties. Quickly and gently removes ice and white frost from vehicle windows. Prevents immediate re-icing.

500 ml, Part no.: 8052

### Windshield Antifreeze Concentrate

Concentrate for mixing. Quickly provides a clear view.  $-52^{\circ}\text{C}$

Concentrate with surfactant cleaning and antifreeze components for the cold season. Powerful cleaning, creates a clear view in seconds and thus ensures more safety in traffic. Prevents freezing of the windshield washer unit as well as icing up of nozzles at temperatures down to approx.

1 l, Part no.: 21678

5 l, Part no.: 21757

## Ready-to-use windshield antifreeze -20 °C

**Concentrate for mixing. Quickly provides a clear view.**

Premixed product with surfactant cleaning and antifreeze components for the cold season. Powerful cleaning, creates a clear view in seconds and thus ensures more safety in traffic. Prevents freezing of the windshield washer unit as well as icing up of nozzles at temperatures down to approx. -20 °C.

3 l, Part no.: 21677

5 l, Part no.: 21795

## Lock Care & De-Icer

**Lubricates and treats door locks, door hinges and the mechanical parts of side mirrors.**

Specially developed for lubrication and care of installed lock cylinders and ignition locks. By using this care spray, moving parts will always operate smoothly. De-ices frozen door locks.

50 ml, Part no.: 21925

## Rims & tires

### Rim Cleaner

Cleans all rim designs.  
With dirt indicator.

Special cleaner with practical dirt indicator. For intensive and gentle cleaning of aluminum and steel rims. Easily removes brake abrasion as well as other dirt. Reduces the amount of stubborn dirt that returns and, when used regularly, guarantees a radiant shine and long service life of the rims. pH neutral to the skin.

1 l, Part no.: 23017

### Tire Shine

Maintains and protects tires  
in a single operation.

Maintains and protects tires in a single operation. Optically enhances weathered tire walls and gives them back their original appearance and suppleness. Guarantees an all-round beautiful shine.

400 ml, Part no.: 23021

## Rubber

### Rubber Care

**Cares for and protects rubber parts on vehicles.**

Gives rubber mats and tires a silky matt shine and freshens up the color.

500 ml, Part no.: 23005

### Rubber Care Stick

**Cares for and protects door rubber seals on vehicles.**

Provides protection at icy temperatures, prevents freezing solid in winter and maintains door, window and trunk seals. Retains the elasticity of the seals with regular use.

75 ml, Part no.: 21926

## Interior upholstery/leather

### Fabric Foam Cleaner

Cleans thoroughly and gently.

Versatile problem solver for cleaning all vehicle upholstery. Quickly and gently removes even stubborn dirt from seat upholstery and covers, and velour and carpets. Cleans down to the fiber and can be easily vacuumed off. Refreshes the upholstery color and does not leave behind any stain edges. Eliminates any unpleasant odors with its allergy-free citrus fragrance.

300 ml, Part no.: 23006

### Leather Care

Freshens up leather.

Cleans, maintains and protects smooth and imitation leather and preserves the structure, grip and elasticity. Penetrates deeply into the leather, makes it soft and supple, smooths older as well as slightly worn leather surfaces and gives them a silky matt shine. Regular application enhances the appearance of the leather, prevents premature fading and extends the life of the material. Without dyes.

250 ml, Part no.: 23012

## Interior

### Interior Cleaner

**Cleans all surfaces in the vehicle interior.**

Quickly and gently cleans all parts, fabrics and trim made of plastic in the vehicle interior. Thoroughly removes contaminants consisting of oil, grease, nicotine and other substances. Also the ideal problem solver for beverage, food and candy residues.

500 ml, Part no.: 23010

### Screen Cleaner

**Powerful foam cleaner for fast, gentle cleaning**

Powerful foam cleaner for fast, gentle display cleaning. Removes light soiling typical for the application, ensures streak-free cleaning and is uncompromising toward dirt and fingerprints while remaining gentle toward the surface. Thanks to the convenient little bottle, is also practical when on the go or in the car. Leakproof thanks to the lack of propellants.

100 ml, Part no.: 21634

## Interior

### Active Foam Cleaner

**Highly effective and for universal use.**

Highly effective universal foam cleaner for effective cleaning of various materials. Effortlessly cleans smooth surfaces without leaving behind streaks or smudges thanks to the active formula. Also ideally suited for vertical surfaces thanks to the foam's good adherence.

### Microfiber Cloth

**Universally applicable for cleaning and care of a variety of surfaces.**

Universally applicable microfiber cloth for cleaning and care of almost all surfaces. Ensures a streak-free finish on smooth materials such as plastic, glass, stainless steel or sealed wooden surfaces. Washable up to 95 °C without fabric softener.

500 ml, Part no.: 21277

1 Piece, Part no.: 1651

## Interior plastic

### Cockpit Spray

**Cares for plastic parts, particularly in cockpits.**

Cleans and maintains all plastic parts in the car. Gives the cockpit a silky matt look. Has a dust-repellent and antistatic effect and protects the plastic against brittleness. Also has a pleasant vanilla fragrance.

Vanille, 300 ml, Part no.: 23018  
Citrus, 300 ml, Part no.: 23019

### Cockpit Shine

**Makes plastic parts shine, particularly in cockpits.**

Cares for all plastic parts in the car and leaves the cockpit looking shiny. Has a dust-repellent and antistatic effect and protects the plastic against brittleness.

200 ml, Part no.: 23000

## Interior plastic

### Plastic Restorer

Provides a silky matt deep shine.

Cleans, maintains and protects all interior plastic components and freshens them up again. Penetrates deep into the material, gives a silky matt shine, has an antistatic and dirt-repellent effect and thus guarantees reliable long-term protection. Contains silicone.

500 ml, Part no.: 23003

## A/C system

### Air Freshener

**Livens up the vehicle interior and ensures a long-lasting, pleasant scent.**

Simply secure at the louver and take a deep breath whenever you drive! Livens up the vehicle interior with a soothing vanilla fragrance and ensures a long-lasting, pleasant scent thanks to the high-quality perfume oils.

Vanille, 1 Pieces, Part no.: 21830  
 New Car, 1 Pieces, Part no.: 21831  
 Cherry, 1 Pieces, Part no.: 21832  
 Ocean, 1 Pieces, Part no.: 21833

### Klima Refresh

**Eliminates odors in the vehicle. Cleans the air conditioning.**

Fragrance that quickly frees the air conditioning of unpleasant odors that are caused by bacteria and mold in air conditioning systems, ventilation ducts or vehicle interiors. Simple to use without removal of the pollen or dust filter. Promotes pleasantly fresh air.

75 ml, Part no.: 21465

**Whether for the outside  
or the inside:**

Always the perfect solution.  
And everything from a single source.
