

We care about your outboard engine

**LIQUI
MOLY
MARINE**

Engine Oils

- For 2 stroke and 4 stroke engines.
- Outstanding corrosion- and wear protection
- NMMA FC-W and TC-W3 approvals
- Especially developed for the marine environment

Marine 4T Motor Oil 10W-30
Marine 4T Motor Oil 10W-40
Marine 4T Motor Oil 15W-40
Marine 4T Motor Oil 25W-40

Marine 2T Motor Oil
Marine 2T DFI Motor Oil

Marine Multi-Spray

- Superior corrosion protection
- Sea and fresh water resistance
- Perfect lubrication through PTFE
- Penetrates and drives out moisture

Gear Oils

- Excellent corrosion protection
- Optimum stability to aging
- Minimises wear

Marine Gear Oil GL4/GL5 80W-90
Marine High Performance Gear Oil 85W-90
Marine Fully Synthetic Gear Oil
GL4/GL5 75W-90

Marine Detailer

- innovative protection formula
- excellent water repellent effect
- protects against aggressive environmental influences

Cleaners

- Biological degradable
- Low tendency to foam
- Easily dissolves stubborn dirt

Marine Universal Cleaner

Marine Universal Cleaner K

Marine Storage Fogging Oil

Long-term protection against corrosion on the surfaces of the combustion chamber such as cylinder walls, piston crowns and piston rings.

Marine ATF

- Trimming systems
- Hydraulic- and mechanical systems
- Steering systems

Marine Grease

- Sea and freshwater resistance
- Extremely long-lasting lubrication properties
- Corrosion protection
- NATO Marine Specification G460

Additives

- Corrosion protection
- Aging protection
- Restores engine performance

Marine Antifreeze

- Biodegradable antifreeze for wintering
- prevents the external cooling system from freezing up
 - outstanding corrosion protection
